Commuters to Unite Against Greyhound

IRRIGATION OF THE TREE FARM at Moraga Highway and Orchard Road, near Orinda Fire House 2, will benefit the trees and all members of the Orinda Hillbillies, new organization for transforming hillsides into wooded areas. Want Trees for Those Hillsides? . . . Orinda Hillbillies Ready to Aid You

Another organization has sprung into being in Orinda, with the express purpose of transforming the barren hills into beautiful forests.

Called the Orinda Hillbillies, the purpose of the organization is to "provide large numbers of trees for windbreaks, for hillside covering to prevent soil erosion, and to beautify the now barren hills of Orinda."

"These trees will not only protect the hills we have adopted for our own," said Ernest Rahmeyer, "they will provide a more beautiful setting for our homes and our children's play areas.

"THE MANY REWARDS we will reap from our efforts will be reflected in the increased values of our homes and property."

He pointed out, however, that these trees are not available in small lots for purely ornamental purposes.

The following trees will be available on a first come-first served basis: Aleppo pine, Monterey pine, Arizona cypress, Douglas fir, Coast and Sierra redwoods and seeds for red bud and purple fowering acacia.

Information can be obtained from Water Hartshough, DRake 6-4440, or Rahmeyer, DRake 6-8562.

RAHMEYER SAID THE organization will provide the following services.

"Each Hillbilly will be provided seedlings and a patch of ground at the tree farm. He will be given moral support and aid in his efforts to raise a forest.

"Each Hillbilly will participate to a moderate degree, not beyond physical exhaustion, in maintaining the farm.

"Each Hillbilly will be expected to prevent excessive weed growth in his own personal part of the farm and to provide sufficient moisture as needed."

EXPLORER SCOUT POST 300, under the guidance of Dr. Ralph Hall, has been maintaining the tree farm, and is now opening it to the use of all Hillbillies.

The tree farm is at Moraga Highway and Orchard Road, on Fire Department land.

The post is installing a new irrigation system and will aid and advise all interested growers in the fine art of soil conservation. More than 8000 trees are expected to be grown and distributed to individuals in the Orinda area.

The Hillbillies will become the core of home owners who wish to grow trees at the community farm for their own use.

Contract Let for All-Purpose Room

The Orinda School Board awarded a contract for $76,101 for an all-purpose room at Glorietta School at a special meeting recently to A. V. Kaufenberg, Martinez contractor.

Bids were opened January 13, but the award mas not made until January 15.

The room will be finished by this summer and will be ready for use next fall.

According to Superintendent of Schools Joseph L. Sheaff, the room will include an entire kitchen setup, a teachers room, storage room, moveable stage, basketball facilities and a paved area.

Trustees have not yet determined the extent of cafeteria facilities to be provided.

Art-in-Action Show Wednesday

The Orinda Children's Art Center will hold an Art-in-Action Show Wednesday, 4 to 7 p.m., at Orinda School auditorium.

The children's work will be displayed on the walls as the children themselves work at the tables.

There are several ideas which are clever departures from the usual water color painting and which will prove useful to any mother on Cub Day or when it is raining outside.

Pin-Ball Probe By Grand Jury Goes On, Report

Continued investigation of pin-ball operations in Contra Costa County was indicated this week by Arthur Granshaw, Grand Jury Foreman.

Granshaw said that he was scheduled to meet with the law enforcement committee of the Grand Jury later in the week, when interviewed on Tuesday.

There have been no reports of current developments in the investigation, but a full report of findings by the jury is expected when the probe is completed.

The investigation started in mid-January when the law enforcement committee interviewed Sheriff James Long. Just two days after that meeting, Sheriff's Deputies conducted the raid in which 11 pin-ball machines were seized in the south-central and eastern sections of the county.

New Gas Line to Serve Glorietta

Coast Counties Gas and Electric Company recently completed the installation of 7300 feet of six-inch gas line to supplement the supply of natural gas in the Glorietta Area.

The installation, costing $32,500, extended from a point opposite the Lafayette Filter Plant on Mt. Diablo Blvd. to Glorietta Boulevard at Roberta Road.

'Absurdia' Seeking Friendly Street

How do you find the friendliest street in your town?

Management of "Absurdia in Suburbia," the Orinda Mothers' club annual school benefit show, means to locate the "friendliest street" in their community and award residents a special surprise package in recognition.

The plot of this year's production of "Absurdia" features a young man and wife deciding where to live and a real estate agent determined they shall live in Orinda.

At the end of the show the agent makes the sale and the couple prepares to settle down on the "friendliest street" in the community.

To determine which street this is, a public contest will be held starting next week with ballot barrels, pencils and paper posted in Orinda Village and at the Crossroads where residents may vote for the street they believe qualifies for the title, Mrs. Julian Unruh, contest chairman, announced today.

Ballots will be counted weekly from now until the opening of the show April 1. Weekly bulletins of leading contenders will be announced, according to Mrs. J. Gordon Ainsworth, show publicity chairman.

Sopranos, actors and actresses for skits still are needed for the show, Mrs. Bruce Winkworth, general chairman, said today. Volunteers may contact her at Orinda 8517.

Original music for the show which annually garners more than $1000 for Orinda schools will be contributed this year by Fred Udahl, Richard Hughes and Mrs. Odie Monahan, the general chairman said. Besides original music there will be Gilbert and Sullivan parodies on local characters. Music coordinator and senior accompanist will be Mrs. Mary E. Kisner; musical arrangmeent and accompaniment will be by Mrs. T. J. Fahey, and Mrs. Elva Hutchinson also will serve as accompanist, Mrs. Winkworth said.

Expert's Pin-Ball Report Submitted, No Action Yet

Pin-ball expert E. Paul De Garmo of the University of California this week submitted his report on the legality of machines recently seized in Contra Costa County, but Sheriff James Long had filed no complaint up to Wednesday, according to reports.

Last week Long is reported to have said that he would consider prosecution of illegal pin-ball operators after receiving De Garmo's complete report.

DE GARMO, a professor of mechanical engineering, had been called in by Long and District Attorney Francis Collins to examine 11 machines seized by Sheriff's Deputies January 18.

Last week he was reported to have expressed the opinion that at least four of the machines examined to date were illegal.

Wednesday De Garmo said that he had completed his investigation and submitted a report to Collins' office. He said that he could not reveal his findings.

From the District Attorney's office David Levy reported that De Garmo's report had been received, but described its contents as "confidential."

LEVY SAID that no formal complaint had yet been received from Sheriff Long to his knowledge. Neither Collins nor Long could be reached for comment.

Levy explained that the District Attorney's office would, in general, be prepared to begin prosecution if and when a complaint were signed.

If an office such as ours were to go ahead without a formal complaint, we would become persecutors instead of prosecutors, he said.

The 11 pin-ball machines examined by De Garmo were seized in Orinda, Lafayette, Alamo, Danville, Byron and Borden Junction in a raid staged by Sheriff's Deputies.

PLACES FROM which machines were removed were posted with notices of intention to destroy the machines. This action will be carried out unless suits for recovery of the machines are filed before the end of next week, according to Sheriff's Inspector Ray Stoffels.

Stoffels said Wednesday that no such suits had been filed up to that time, to the best of his knowledge. Levy also said that he had no knowledge of any suits for recovery.

The raid occurred January 18. Notices were posted several days later and machine owners had 30 days from the posting date in which to file suits.

MACHINES SEIZED were of several different varieties, some nickel machines, some dime machines and some which can be played with quarters.

At least four of the machines were presumably of the multiple-play variety which are games of chance and thus illegal under the California Penal Codes.

De Garmo, who is reported to have found four machines illegal, was called into Alameda County by Alameda District Attorney J. F. Coakley more than a year ago to make a similar investigation.

Following De Garmo's study there, Coakley outlawed multiple-play pin-ball machines in Alameda County on the basis of the Penal Code.

Have You Missed the Sunshine . . . ?

There was no rain this week, but it it doubtful if the weatherman could have seen it if it did rain, what with all the low-hanging vapors in the air.

Temperatures remained chilly, never getting above the thirties at night and remaining in the fifties and low sixties during the day. Here is the breakdown:

	High	Low
February 4	50	35
February 5	57	33
February 6	56	34
February 7	60	33
February 8	66	33
February 9	60	38
February 10	59	34

Town Meeting Monday Night to Discuss Pine Grove-Central Orinda Planning

Residents will express their views on planning for the central Orinda area at a Town Meeting Monday, 8 p.m., at Orinda School auditorium, called by the Orinda Association's Orinda Planning Committee.

Boone Robinson of the Planning Committee said yesterday that the information to be submitted earlier that day to the County Planning Commission by his group will be reported to the gathering and that there will also be a "where do we go from here?" discussion.

Monday is the deadline for the association to submit its information to the county planners, in the current Pine Grove rezoning dispute. The commission last week closed the hearing on East Bay Municipal Utility District's application for rezoning of Crossroads area land to Retail Business.

A copy of the Orinda Association statement will be given to EBMUD, which will have 10 days in which to submit its reply to the commission. Then the association will have five more days for submission of a rebuttal.

PRIOR TO THE Town Meeting, the association's Board of Directors and Civic Affairs Committee will hold a joint meeting at 7:30 in the Orinda School library.

President Zach Montgomery stated that this joint session will constitute the regular monthly meeting of both groups, although the board will be "on call" for possible special meetings prior to its regular March 22 meeting.

Robinson said that the information to be submitted to the Planning Commission will consist of:

1. A REPORT BY Francis Violich, consultant to the Planning Committee, including a land use plan for the central Orinda area.

2. Results of the questionnaire recently distributed in a public opinion sampling by the Planning Committee and the Orinda Chamber of Commerce.

Violich, associate professor of landscape architecture and lecturer in city planning at the University of California, will tell the Town Meeting about his report, according to Robinson.

Robinson will then present the results of the questionnaire.

"AFTER THAT, we hope to develop a program of action," Robinson said. "The question facing us will be, 'Where do we go from here?'"

Decision to hold the Town Meeting was reached by the Planning Committee Sunday night at Robinson's home on Lombardy Lane. The committee met again Monday night at William Penn Mott Jr.'s home on Ardilla Road.

Another session was scheduled for last night at Karl Schevill's home on Stanton Avenue, and Robinson said the committee will probably meet again before Monday. "We're in constant consultation," he commented.

Robinson said the information to be presented to the county planners and the Town Meeting is being compiled at these sessions.

REPORTING A 93 per cent return of the questionnaires, he stated it was still too early to evaluate the questionnaire answers accurately, although preliminary study indicated they are along the lines of the "unofficial conclusions" mentioned at the January 25 Orinda Association board meeting.

These indicated that a very small percentage of shopping is done in the Village; that Orinda shopping facilities are generally inadequate, with a need felt for a supermarket, adequate parking space, paving and sidewalks; that most people moved here to enjoy country living, that there is considerable interest in future community buildings, that there is opposition to development of business which would draw many people from outside of Orinda and that there is very strong opposition to multiple dwellings.

"IT IS NO exaggeration to say that future development of Orinda is at stake," Robinson declared, in urging a large turnout for the Town Meeting.

"We have a terrific opportunity right now to plan for the central area of Orinda. If we don't do the job now, we may never have the chance again."

Secretary Anne Sanford of the Civic Affairs Committee reminded all neighborhood and community groups that they are entitled to representation on Civic Affairs, and requested that each organization send a delegate to the board-Civic Affairs session and the Town Meeting.

Democratic Women Aid March of Dimes

The Democratic Women of Orinda contributed $52 raised through a bake sale to the March of Dimes.

The group would like to express appreciation for the contributions and support given to help the March, a spokesman said.

Club Delegates' Names Requested By Civic Affairs

Secretary Anne Sanford of the Orinda Association's Civic Affairs Committee this week asked that all community organizations give her the names of their delegates to Civic Affairs.

She requested that the organizations write her at 19 Hacienda Circle, Orinda, or phone her at Orinda 8885.

"This will enable us to have an up-to-date, complete record of all Civic Affairs Committee members," she said. "It is especially important now because many groups are changing officers and choosing new representatives to Civic Affairs."

Mrs. Sanford pointed out that all local organizations are eligible for representation on the Civic Affairs Committee.

Utah Co. Survey Of Moraga Land Well Under Way

Charles T. Travers, engineer for Utah Construction Company, told the St. Mary's Orchards Improvement Association Monday night that the first portion of survey work on the former Moraga land is well under way.

He explained that aerial surveys are being conducted and explained to approximately 50 people the plans of his company. In general, the remarks were the same as outlined at the Lafayette Rotary Club meeting December 30.

HE ADDED, however, that traffic control studies have been made and that 31,239 cars per 16-hour day pass through Lafayette as compared with 29,803 in Orinda.

In reponse to questions he said that although plans are indefinite, the first construction will be on the flat land, probably near the present township of Moraga, and that it will be residential.

REGARDING Shepherd Canyon Freeway, Traver said his company would not push the state for construction, but would keep officials informed of progress and that "actual construction will probably be the most effective pressure for its construction."

He admitted that he though transportation to be the weakest point in the plan. Rapid transit was not discussed. However, Travers pointed out that the community will be self-contained and will not be for commuters only.

ASKED ABOUT incorporation, he said the matter was still being discussed.

He stressed that business development would not be a hodge-podge along St. Mary's Road, but would be well planned and developed.

Approximately 60 people were present.

Church Trustees Name New Board

Orinda Community Church boards of trustees and christian education took organized form last week with the election of officers and assignment of special tasks.

Under the chairmanship of A. W. Reid, trustees will have John Laird as vice-chairman; Mrs. R. P. Hafner as clerk; stewardship, J. C. Pyle; grounds, Laird; maintenance, Ewart J. Phair; insurance, W. E. Davis; house and memorials, Mrs. Verna Ramsey. Mrs. E. C. Drews will continue to manage the busy building schedule for church and other organizations using the church property. Treasurer E. J. Turk was made a voting member of the board.

The church's Board of Christian Education will work under the chairmanship of R. O. Monosmith, who will give special attention to leadership training. Youth work is assigned to Mrs. Fred Twining; curriculum, Mrs. Ross Laurenson; visual aids, Douglas Watkins; Missions education, Mrs. John Ogden; adult education, Ralph H. Phelps and Russell Usinger was appointed to head the committee on public affairs and social issues.

Secretary of the board is Mrs. Laurenson.

Partial Culvert For Relocation Of Road — Sauer

Relocation of San Pablo Dam Road behind Orinda Village, to connect with the Interchange ramp, can be accomplished without culverting the creek all the way and without necessitating moving of Fire House 1, County Road Commissioner Victor W. Sauer said this week.

"It would probably be necessary to culvert the creek at only a couple of places — at the north end of the relocation, in the El Toyonal-Miner Road vicinity, and at the south end, near the Interchange ramp," Sauer said.

However, the road commissioner pointed out that planning for the future four-lane stretch of road, a county road bond issue project, is still only in "the preliminary stages."

"It will probably take a couple of months to work out details," he said.

NEW SUPPORT for the proposed relocation came this week from the Board of Trustees of the Christian Science Church.

The board informed Sauer, in a letter, that it had voted February 1 in favor of the relocation and that it would be glad to have its architect, Ed Hicks, discuss the problem with him.

Sauer explained that there are two possible basic routes for the four-lane road — the present road and the relocation behind the Village.

EARLIER BACKING for the relocation has come from the Orinda Association, the Orinda Chamber of Commerce, the Orinda School Board and the Diablo Highway Improvement Federation board.

The school board resolution was sent to Sauer, with a copy going to the Board of Supervisors. The resolution was read at the supervisors' meeting Tuesday.

Stating that the existing road goes in front of Orinda School and near the Pine Grove site for the upper grade school, the school trustees declared:

"We consider safety of the students the paramount issue."

Orinda representatives expressed themselves in favor of the plan at a conference with Sauer at his office last month.

County Orders Moraga Highway Subdrain Work

Preparatory to major work on Moraga Highway under the county road bond program in the spring, the Board of Supervisors on Tuesday instructed Road Commissioner Victor W. Sauer to install 6-inch perforated subdrain with rock filter material and cross drains on Moraga Highway near Ardor Drive and Hall Drive.

Approval of Work Order 5114 was on Sauer's recommendation. The job will be done with county forces. Estimated cost is $10,200.

"The idea is to get the necessary subdrainage work done before contract is let for major work on Moraga Highway," Sauer explained later.

This contract is expected to be awarded in about 6 days, the road commissioner said.

Earlier work on Moraga Highway has included subsealing, Sauer pointed out.

Rotarians Note Boy Scout Week

In celebration of Boy Scout Week Orinda Rotarians heard Victor Lindblad, executive of the Mt. Diablo Council, speak Wednesday noon at The Willows on "We Move Forward with our Youth."

Lindblad emphasized that the best we can do is impress our children with three things; reverence for God, reverence for life and reverence for truth.

Program chairman was Herb Hauser, institutional representative of Rotary to Boy Scout Troop 207 which is sponsored by the service club.

Orindans Inc. Discuss Zoning

Board members of Orindans, Inc. met Tuesday night to discuss the application of Dr. Thomas for rezoning of a lot at the corner of Northwood Drive and Moraga Highway.

The hearing was posted on telephone poles adjacent to the lot and called for a meeting in Martinez February 2 but was deferred for three weeks.

The home owners near the lot are disturbed and have asked for action by Orindans, Inc. in upholding the deed restrictions. The board is composed of Thomas I. Stephens, Dr. Robert H. Johnson, Earl F. Hughett, William Thurlow, E. J. Fowler Jr. and Mrs. Herbert M. Dwight.

Proposed Separate Line Attacked as Bus Company Method to Increase Fares

Contra Costa Commuters prepared to join forces with other Bay Area commuters' associations this week to prevent Pacific Greyhound Lines from forming a separate company to handle commute service.

Greyhound announced Monday it had requested permission from the Interstate Commerce Commission to form a subsidiary Golden Gate Transit Lines to handle commuter traffic exclusively in Alameda, Contra Costa and Marin Counties, San Francisco and the Peninsula.

Walter R. Roberts, publicity chairman for the Contra Costa Commuters Association, said, "Plans are being made to join with the Marin County Federation of Commuter Clubs to cope with any possible threat of higher costs and lesser services."

EARLIER IN THE week, president John E. McKirahan said, "It looks like a devious way to get a rate increase where direct means have failed. Greyhound has been refused increases in commute rates in the past because its over-all operations were showing a profit.

No rates for the proposed transit company have been offered, but the Greyhound announcement said the fare structure "need not be different from the fares which properly should be maintained, but must be sufficient to defray the costs and yield some profit."

If the ICC grants Greyhound's request, the subsidiary still must obtain a certificate to operate from the Public Utilities Commission and must gain approval of its fare schedule, whether it is the same as now charged or different.

The PUC has not received a copy of the petition.

CONTRA COSTA COMMUTERS Association directors met Tuesday night and decided against opening a battle now because neither the Bay Area office of the ICC nor the PUC has been able to supply information on the proposal.

"It is possible the plan may benefit commuters," McKirahan said. "We'll have to wait and see."

In other action directors approved the recent load standard agreement worked out by engineers of the PUC and Greyhound. They also drafted a letter of appreciation to R. E. Mittelstaedt, president of the PUC, expressing appreciation "for the splendid manner in which the load standard was worked out and which definitely shows the continued serious interest of the commission on behalf of the citizens of our state."

APPRECIATION WAS expressed for the fine work done by the State Highway Division and Greyhound in preparing a bus loading stop during construction of the Orinda Overpass.

During the first six stages the highway division will set aside an area in the approximate present location of the bus stop, gravelling it when necessary. Eventually it will have to be moved across Orinda Highway to the area previously occupied by the Standard Oil Station.

This will provide a loading area until the Interchange goes into the seventh and last stage of construction, and it has not yet been decided what is to be done then.

DIRECTORS AGREED to lend the association's support to Shore View commuters in the Peninsula area in their dispute with Greyhound regarding pick-up locations.

The bus company has terminated any stops along Bayshore Freeway at this housing development, either to pick up or discharge passengers, contending that to do so would be contrary to its present franchise.

As the State Highway Commission prohibits stops along the freeway, Greyhound feels that it has no right to drive off the freeway for commuter stops along the frontage roads.

Contra Costa commuters are concerned with the problem as the same situation is likely to arise when Diablo Freeway is completed.

The group will submit a brief at the hearing in support against any action that would directly effect any possible changes in this area's commute service.

$261,675 Verdict In Condemnation Trial of EBMUD

Price to be paid by the state for 29 condemned acres of East Bay Municipal Utility District land in the Crossroads area was fixed at $261,675 by a jury in Superior Judge Hugh Donovan's court in Martinez late Monday night.

The verdict by the jury of eight men and four women followed a two-week trial in which appraisers testified to widely divergent values estimated for the eight parcels needed by the state for Interchange construction.

Appraisers testified as follows as to value of the property, which includes the Shell service station site at the northeast corner and land near the other three corners:

FOR EBMUD:

R. W. Kittrell — Total market value, $369,900; severance damage to adjoining land, $9000; total condemnation value, $378,900.

Zura E. Bells — Total market value, $371,400; severance damage, $11,100; total, $382,500.

FOR THE STATE:

H. W. Jewett — Total market value, $237,500; severance damage, $6000; total, 243,500.

Benjamin W. Hamlin — Total market value, $241,683; severance damage, $6344; total, $248,027.

The state was represented by a group of Department of Public Works attorneys, led by John Rogers. EBMUD was represented by Harold Raines, legal counsel for the district, and Vance Porlier of the law firm of Tinning and DeLap.

Acalanes Board Calls for Bids on Swimming Pool

The Acalanes School Board agreed Monday night to call for bids on the community swimming pool to be built at Las Lomas High School.

Bids will be opened at the next meeting, March 8.

Alternate bids wil be asked, one to cover a swimming pool and separate diving pool, estimated by the board to cost $50,000; the other for one combination pool, estimated at $37,000.

The board has agreed to match funds raised through community efforts, which total approximately $18,500 now.

BIDS WILL BE OPENED the same night for a new classroom wing at Las Lomas, and for furniture for classrooms currently under construction.

The new wing will consist of five classrooms, one large classroom with a stage, and one small general purpose classroom, plus lavatories.

In other action the board:

1. **AGREED THAT** organizations using school facilities and charging admission for shows and performances should pay the school except when the proceeds from such meetings go directly to the benefit of the students.

As an example, the board listed the Orinda Mother's Club annual production of "Absurdia in Suburbia" as an event which would be permitted to use the facilties without charge since the proceeds are used directly for the schools.

2. Agreed to pay "in lieu of transportation" to families in the Hunsaker Canyon area who are forced to bring their children approximately two miles to contact a school bus.

3. **REPORTED** that the State Division of Highways is currently investigating the sidewalk situation at Las Lomas and will make recommendations.

4. Reaffirmed its policy on not permitting intra - district pupil transfers.

Also on the agenda was a discussion of drainage problems at the new Orinda site, but the architect was not present and the matter was postponed.

Guide Dog School Graduates Two From Local Area

Two Walnut Creek residents, Mrs. Berenice Anderson and Robert Slauson, were among nine Contra Costans graduating from the Guide Dogs for the Blind School in San Rafael last Saturday.

Mrs. Anderson lives at 1053 Homestead Avenue and is a Spanish and mathematics teacher at the California School for the Blind in Berkeley.

She has modeled in fashion shows and serves as an officer in the Walnut Creek Branch of the American Association of University Women. Her Guide Dog, Holly, is a German Shepherd.

Slauson lives at 151 Norlyn. With his Guide Dog, Lona, he is a familiar sight on the University of California campus where he is a junior.

A fund drive for Guide Dogs for the Blind is currently under way with a $3000 quota in Contra Costa County.

Local captains include Mesdames E. G. Timme, Alamo; Edmund Barnett, Lafayette; John A. Bohn, Orinda, and T. M. Herron, Walnut Creek.

Strong Statement By Democrat Club Supports Condon

A strong statement in support of Congressman Robert L. Condon which denounced attacks on him as "half truths and smear techniques" and called for a campaign on "the real issues of today," was issued this week by the Central Contra Costa Democratic Club.

President Dave Comstock of Walnut Creek said the statement has been passed unanimously. The text follows:

"**CONGRESSMAN** Condon's recent testimony, without congressional immunity to which weaker men would cling, confirms that he is the kind of representative the 6th District needs in Congress.

"We admire a man who, in the American tradition, does not retreat under fire. This club hereby goes on record to re-affirm its confidence in Congressman Robert L. Condon.

"The ordeal by insinuation and trial by accusation endured by Congressman Condon demand that those citizens devoted to fair-play and common decency stand by him.

"**HIS RE-ELECTION** this fall will prove that half-truths and the smear technique will not work in Contra Costa and Solano Counties. Let the coming campaign be conducted on the real issues of today, the maintenance of full employment and peace, instead of smoke screens.

"Congressman Condon's patriotism has been demonstrated by the Silver Star awarded him as infantry sergeant in World War II and by his colleagues in the State Legislature praising him as one of the most capable of assemblymen.

"These deeds speak louder than the words of political opportunists. Congressman Condon's record in Washington shows that he stands for the type of orderly progress which had made America the great nation it is today."

Sewer District Bond Election To Be April 27

Directors of the Central Contra Costa Sanitary District last week agreed to call a special bond election April 27.

Although the amount has not been set, amounts from three to four and a half million dollars have been discussed.

A formal resolution on the date and amount are on the agenda for Thursday night at 8 p. m. at the district offices, 1822 Mt. Diablo Boulevard, Walnut Creek.

Director Elliott Johnson was reinstated as president after an absence of several months because of illness.

ACTING PRESIDENT Earnest Spiegl turned the meeting over to Johnson, who presided.

Directors of the Danville Community Services District were present as a result of recent talks with county supervisors.

County Administrator Desmond Teeter had suggested that they approach the sanitary district and renew talks on possible mergers of the districts, or at least some arrangement whereby CCSD would treat the area's sewage.

DR. HENRICK BLUM, county health officer, has expressed dissatisfaction with Danville's plans to build its own treatment plant.

CCSD directors explained that they would welcome any inquiries, and if sufficient deposit were made, would undertake to make engineering studies, including proposals whereby a "rental charge" could apply.

They explained that they could not use the district taxpayers' money to make the engineering studies.

Estimates ran at approximately $500,000 for annexation and the construction of trunk lines.

Doyle Plans to Sponsor Bill for Car-Door Safety

Assemblyman Donald Doyle said this week that he plans to sponsor a bill in the 1955 session of the State Legislature to require safety devices on the inside of passenger car doors so that the doors cannot be opened by children in the cars.

Doyle said that such legislation, requiring the safety-device installation by manufacturers or dealers on all passenger autos sold in California, would "save the lives of hundreds of children."

THE ASSEMBLYMAN, who will seek reelection this year, announced his intention to sponsor such legislation after he had been contacted by Mr. and Mrs. Charles M. Axtell of Concord, whose 2-year-old son, David Charles, was killed Christmas Eve when he fell out of the family car near Livermore, after the right rear door had somehow been opened.

"I told the Axtells I am definitely interested in the problem," Doyle said.

"People can help by letting their legislators know of the need for such legislation and urging them to effect it.

"I will check to see if any other similar bills are being sponsored by other legislators."

DOYLE SAID he favors automatically-operated devices.

"Most car-door safety devices now are manually operated. Automatically-operated devices could not be released at any time while the ignition is on," he explained.

"That would absolutely prevent any opening of doors from inside while the car is in motion."

This year's session of the Legislature will be a budget session.

Operation of Republican Council Based On Grass Roots Setup in 6th District

Last night the Contra Costa County Republican Council met in Martinez to endorse a candidate for Congress from the Sixth Congressional District.

Here is a description of the structure, origin and background of the council and the screening committee, which narrowed the field of candidates to three before last night's meeting:

The council was formed in June, 1953, under the direction of the Republican Central Committee to serve as a grass roots organization which would provide equitable representation to the entire district, particularly with regard to the selection of candidates for all partisan offices.

THE COUNCIL CONSISTS of all members of the Republican Central Committee and their alternates, all members of the State Central Committee residing within the district, presidents of all recognized Republican clubs and representatives of each area in the county, to total one per cent of the Republican registration.

For example, pro rata, Walnut Creek has 47 members, Lafayette 38, Orinda 35 and Pleasant Hill 43.

If there are not enough members of the Central Committee and presidents of organization from any given area to fill out the allotted number to the council, past elected officers of Republican clubs are chosen by the central committeemen and present presidents of area organizations.

MEMBERS HAVE explained that the choice is not a haphazard one, but is based on party service in either the present or past. A member may, for example, have served as president or treasurer of a Young Republican Club the year preceding election to the council.

All members chosen have held an elective offices within Republican organizations at one time or another.

The screening committee, which numbers 29 members and is also chosen on a representation basis, is appointed by the executive committee of the council.

Present executive committee officers are: Chairman, Don Kientz, Pleasant Hill; vice-chairman, Charles Mahan, El Cerrito; secretary, Kay McGuire, Orinda, and treasurer, Doris Longstaff, Richmond. In addition, there are 21 other members.

IN ACTION, the screening committee and council worked as follows:

All candidates were asked to register with the screening committee, which interviewed them. From the applicants, John Baldwin, Henry Kilpatrick and Joseph Creighton were chosen to appear before the council last night. The council elected, by secret ballot, one candidate.

Also appearing before the council were candidates who had been rejected by the screening committee but who chose to appeal.

CANDIDATES WHO HAD been chosen by the screening committee were permitted a nominating speech, a seconding speech and a five-minute speech on their own behalf.

Those who appealed were allowed five minutes to state their case, and their names were placed on the ballot.

Voting was arranged so that low man on the first ballot was dropped if a majority was not reached, and another ballot was taken with the remaining candidates.

This continued until one man had a majority. He will receive the endorsement of the party.

Acalanes Parents Plan Panel on Social Studies

A discussion of social studies courses will be held at the Acalanes Parents Club meeting Monday at 8 p. m. in the school gym.

Mrs. Donald Krotz will preside as classes in U. S. History, California History, senior problems and social studies are considered.

Webster Wilson, Acalanes counselor, will moderate a panel discussion where The Rev. Edward Anderson of Orinda and Mrs. W. T. Barrows of Reliez Valley will represent the parents club. Gardner Swenson, the county schools office, and Stanley Walgren, Eloise Corr and William Ross the faculty.

Chairman Douglas Robertson will report on the membership drive. Victor T. Johnson of Lafayette is program chairman and Mrs. C. M. Fish of Orinda will serve refreshments as hospitality chairman.

Utah Company Men to Speak

Representatives of the Utah Construction Company will speak at the Monday breakfast meeting of the Contra Costa Realty Mart at El Nido Rancho.

To be introduced by Ed Wallace, the realtor who arranged the sale of Moraga land to the company, the representatives will speak on the proposed Moraga development.

Walter Howell, sales manager for the East Bay Division of the Pacific Gas and Electric Company spoke on "The 1954 Outlook" Monday.

Second Drought Plagues Farmers

Local farmers and ranchers are now facing their second drought crisis of the winter, as rainfall figures remain well below half of average.

Ray Goble, Contra Costa agricultural extension director, said this week the situation is more serious now than in the December dry spell.

Some orchardists have begun to use irrigation to supplement sparse rainfall, while non-irrigated ranges and grain fields are being damaged.

A mild winter is also causing problems for local agriculturists. Early blooming of fruit and nut trees is exposing crops to grost and complicating spraying programs.

No emergency is expected by officials of Pacific Gas & Electric Company or the East Bay Municipal Utilities District, though concern over low rainfall is admitted.

A two-year supply of water is now on hand in EBMUD reservoirs, while the electric company has enough steam generators to provide necessary power.

4-H CLUB MEMBERS throughout Central Contra Costa County are participating in the countywide 4-H Club safe driving campaign. Area's 4-H Clubs Launch 'Drive Carefully' Campaign

Central Contra Costa County's 4-H Clubs, along with those throughout the rest of the country, have embarked on a campaign to impress motorists with the need for safe driving.

Bumper strips, reflecting light at night so that they are readable in darkness and stating "Drive Carefully" in red letters on silver background, are being sold by club members.

Profits go to the individual clubs. Originated by the Contra Costa 4-H Council, the project has received the endorsement of the Contra Costa Safety Council.

THE CLUBS in this area active in the campaign are the Lafayette 4-H Club, which has members from Lafayette and Orinda; the Hill and Valley 4-H Club and the Walnut Creek Equestrians, both of Walnut Creek, and the Pleasant Hill 4-H Club.

Further plans for the campaign will be discussed by the Lafayette club when it meets February 23, 7:30 p.m., in Room 1 of Lafayette School.

Diane Fekete, president of this club, sold a "Drive Carefully" bumper strip to William C. McIntosh, past president of the Contra Costa Safety Council last Saturday. As he purchased the strip, McIntosh said:

"**IT IS ALWAYS** of great interest to the Safety Council when the young people think and act in safety matters. A young person who has been trained to think in terms of safe practices will instinctively do the safe thing in an emergency.

"Every act that awakes a safety consciousness is of value in safety education."

McIntosh went on to say that a campaign such as the 4-H is now carrying on has a double impact—it not only teaches the younger people, but it makes the older driver aware of the necessity for safer driving practices.

ADULT LEADERS of the Lafayette 4-H Club are Mrs. Will Hall and Mrs. Fred Davidson, who supervise the group's agricultural work.

Assisting them are Mrs. Lou Fekete, in charge of the sewing group, and Mrs. E. C. Phelps, in charge of the girls' home beautification project.

Safety Council endorsement was voted at a recent meeting, after Ralph R. Strudwick, chairman of the 4-H groups in Contra Costa County, had outlined the plan.

Playshop Tryouts Monday

Tryouts for Lafayette Playshop's production of Kay Kanin's comedy, "Goodbye, My Fancy," which is tentatively scheduled for late May, will be held Monday, 8 to 10 p.m., in Room 301 at Acalanes High School.

The play will have a cast of 12 women and eight men. "Anyone interested in acting is urged to attend the tryouts," Lyn McKee, Playshop president, said.

"IN ADDITION, we need behind-the-scenes help, so anyone interested in any phase of theater production is welcome."

Mrs. McKee added that persons with no acting experience, as well as experienced persons, are desired for the dramatic instruction course to be given by Playshop.

PLAYSHOP INSTRUCTOR and director is Robert Hudson, well-remembered for his successful directing of "Ladies in Retirement" last year.

He has had 10 years' teaching, directing and professional acting experience.

FALL PRODUCTION of the Playshop is tentatively planned to be "The Torch Bearers," by George Kelly, a comedy about the 1920's.

Now part of the Acalanes Adult Education system, Lafayette Playshop meets every Monday, 8 to 10 p.m., in Room 301 at Acalanes.

Earthquake Jolts Bay Area Tuesday

An earthquake jolted the Bay Area at 7:24 a. m. Tuesday, caused by the Hayward fault.

Professor Perry Byerly, University of California seismologist, reported the temblor lasted for one minute and registered 2.8 on the Richter scale, compared with 2.9 in last week's quake.

It centered from 10 to 12 miles south of Berkeley, Byerly said.

Graves Receives Democratic OK

Lafayette's Richard Graves received the endorsement of the California Democratic Council Monday to oppose incumbent Goodwin Knight in the race for governor.

Graves, who was a Warren Republican, switched parties this year and was heartily opposed by a segment of the council because of his former affiliations.

He compiled a total of 957 votes as against 519 for his opponent, Mayor Lawrence Cross of Berkeley.

He told the group that he is the "candidate who can win," and indicated that he will be able to draw support from all the voters.

Reading Heard

The Fresno Club heard a reading by Mrs. Herman Silverman as it met recently at the home of Mrs. Floyd D. Stinnett on 16 Mariposa Way in Walnut Creek.

Condon Invited To Atomic Movie

Though he was barred as a security risk from atomic tests in Nevada last spring, Congressman Robert L. Condon was invited last week to attend an atomic test movie with other House members.

Reporters and the public were excluded. Condon, however, did not attend because of a previous engagement.

Primrose Thrills Capacity Crowd At Concert Here

By FREDERICK FREEMAN

William Primrose, the world's foremost violist thrilled a capacity audience on Saturday evening at Acalanes, when he presented the fourth in the current Community Concerts series.

His program, comprising selections from classical and modern composers, made no concession to superficial popular taste. The first half was drawn from the works of Handel and Beethoven, and one might have believed, on reading its content before the playing started, that the audience would find it uninteresting.

BUT PRIMROSE'S performance was so vitally energetic, so beautiful, and so perfectly performed as well, that his listeners recalled him several times and induced him to play an encore.

The second half of the program was more frankly designed to attract by its midern devices of technical brilliance and rhythmic urge, and included works by such composers as Milhaud, Wagner and Pagnini.

Primrose's mastery of the viola is so complete that he seemed to be producing the same effects that virtuoso violinists, such as Francescatti and Menuhin, draw from their instruments. But when he played on the low register strings, you know that only a viola could yield such vibrant sounds.

DAVID STIMER played superb piano accompaniments and contributed a solo group as well. He is an artist of superior ability and added distinctly to the evening's musical offering.

The fifth and last concert in the present community series will be March 23, when the Euzakadi Basque dancers will appear.

The 1954-55 Community Concerts campaign will occur during the week of May 3.

Letters Herald Heart Fund Drive

Announcement comes from Colonel Francis J. Clune, campaign director for the Contra Costa County Heart Association, that letters have been sent 30,000 residents of Central Contra Costa County, asking them to "Help Your Heart Fund, Help Your Heart."

Help to Contra Costa County Heart Association is help to you and your neighbors, Col. Clune said, adding, "Whether the problem be education concerning prevention or recovery of a heart disease, overweight or work simplification in the home, the Heart Association is aiding you."

"It is continually conducting research programs to combat this leading cause of death. One fourth of the money allotted to research stays right here in California," he added.

"We have no professional promoters to solicit funds or to set policies," he concluded.

Commencement Address

Assemblyman Donald Doyle delivered the commencement address at East Los Angeles Junior College recently.

Doyle, assemblyman from the 10th District and a Lafayette resident, is vice-chairman of the Education Committee of the Assembly.

Democrats to Air 'The Condon Story'

A half-hour documentary broadcast, entitled "The Condon Story," will be presented on radio station KECC, 990 kc., Thursday at 7:30 p. m.

THE BROADCAST, jointly sponsored by the Diablo Democrats and the Central Contra Costa Democrats, will cover the past and present activities of Congressman Robert L. Condon, and will conclude with the disclosure of Condon's future political plans.

The program will be presented in documentary style, and will include the voices and remarks of such persons as Condon, Adlai Stevenson and other prominent leaders of both political parties.

THE STORY of Condon's successful fight to restore the funds needed to keep Contra Costa schools operating will be told, as well as the facts about how the freshman Congressman was able to push through Congress the Monticello Dam Project, following seven years of unsuccessful attempts by former congressmen, according to spokesmen.

According to Mary Edwards, president of the Diablo Democrats, and Dave Comstock, president of the Central Contra Costa Democrats, the Thursday evening broadcast is but the first in a series of "Reports to the People."

Home Ownership Essay Contest Awards Listed

Awards to be given locally in the "Why Home Ownership Builds Good Citizenship" essay contest of the National Association of Home Builders were announced recently by Kermit Lincoln of Lafayette, president of the General Contractors Association of Contra Costa County.

Equal awards will be given to three groups, fourth through sixth graders, seventh through ninth graders and 10th through 12th graders. First prize is $25; second, $15; third, $10, and fourth, $5.

Second prize is $250 for the student and a plaque for the school; third, $100 to the student and a plaque to the school; and fourth through 10th prizes, $25 to the students and plaques to the schools.

Local winners last year who reside in Central Contra Costa were Howard Nemir, Lafayette; Carol Yeager, Walnut Creek; Carol Ann Nebel, Lafayette; Gary J. Barnett, Walnut Creek; Gail Lynn Henderson, Walnut Creek, and Sandra E. Prada, Walnut Creek.

Deadline on the contest is April 1; entries to be mailed to the contractors, Box 343, Walnut Creek.

Urgent Need for Girl Scout Day Camp Site Voiced by Mrs. Leonard Ford

An urgent need for permanent Day Camp site for Girl Scouts of the Diablo Valley Council was voiced today by Mrs. Leonard Ford, council president.

The camp would be used for year-around over night camping and for Day Camp programming during the summer, she said.

IN A YEAR of searching for an "ideal spot . . . close enough to save bus transportation" mothers of Scouts have not been able to find a location, she revealed.

Accessible water, shade and cooking facilities are described as necessary requirements.

MRS. FORD REVEALED the need for a camp site in a letter to Herman Silverman, SUN publisher. It reads as follows:

"Did you ever want to accomplish something very badly? Well I have. For the past year the Diablo Valley Area Girl Scout Council has been looking for a Day Camp-Troop Camp site; a place where the girls could have all year around over-nights and Day Camp programming during the summer.

"We have made an effort to locate a spot someplace in our area — a place that the Daddys could help develop, and have every brick laid affectionately, which would be a permanent spot for the Scouts to come.

"WHEN YOU THINK that there will probably be at least 400 girls wanting to go to Day Camp this year, you will see that our need is pressing.

"We have gone through many of the usual channels. We have had the mothers of Scouts on the lookout, but to date the ideal spot has not turned up — one that would be close enough to save bus transportation.

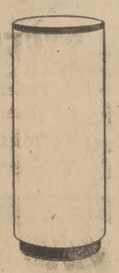

"The Girl Scouts work hard selling cookies, part of which goes to camps development.

"You have many contacts that might lead us to accomplishing something big for the whole Girl Scout movement in our area."

Mothers Meet

Girl Scout Troop 47 mothers recently held their monthly meeting at the home of Mrs. Henry Harris on Park Lane Drive. Mrs. Vernon Axelson, troop leader, reported that the girls are planning a progressive dinner as their recreation this month.

This group has been working together for five years, since the girls started their Brownie troop in third grade, and these monthly luncheons are thoroughly enjoyed by the mothers.

Those present were Mesdames Axelson, Mel Nickerson, Charles Biesel, Rees Paine, Elmer Freis, Murray Sharp, W. R. Haefele, James DeKorn, George Knudsen and Marvin Bonds.

Court of Awards

Girl Scout Troop 93, under the leadership of Mrs. Karl Schevill and Mrs. Andrew Knudsen, held a Court of Awards last night at Orinda Community Church. The affair was also a dessert Valentine party for the parents. Mrs. George Bauslaugh was in charge of decorations and refreshments.

The girls received the following badges toward first class rank:

Joan Bauslaugh, Pottery and Games; Margaret Bodfish, Tree, Garden Flower, Games, Swimmer, Cook and Home Gardener; Marilyn Cook, Games and Cook; Judy Courtright, Pottery, Games and Sewing; Judy Davidson, Games, Skater and Cook; Mary Gardiner, Games, Horsewoman, Cook, Swimmer and Housekeeper; Sharon Gillespie, Pottery and Games; Carol Knudsen, Pottery, Games and Sewing; Judy Murphy, Games and Bird; Jule Noller, Games and Cook; Peggy Schevill, Pottery, Games, Horsewoman and Housekeeper; Susan Schwatka, Games, Horsewoman and Cook.

Mrs. Frank Wright instructed the girls in the Pottery badge. Mrs. John Davidson helped them with their Cook badge. The Games badge was earned by the whole troop during meetings last fall.

Currently the girls are working in two patrols. One patrol is doing the Leather badge under the direction of Mrs. Phillip Champion; the other, the Needlecraft badge under direction of Miss Hannah Walsh.

Trees Planted

Girl Scout Troop 44, under direction of Mrs. Dorothy Hall and Mrs. Betty Kimball, planted trees on the Glorietta School grounds in order to finish earning their second class rank in Agriculture.

Dr. Ralph Hall helped the girls plant the trees and instructed them on how to care for them.

They planted Sequoia Gigantea and Arizona Cypress alternately along the creek bank.

The following fifth graders participated and will tend the trees until they are well established:

Suzanne Arighi, Laraine Axelson, Robin Brown, Claire Cianciarulo, Margo Corona, Karen Fernsten, Joanne Hall, Virginia Harper, Lynne Harsha, Charlotte Kimball, Susan Kronke, Jan Miller and Joan Radonich.

Valentine Gifts

The members of Den 4, Cub Pack 52, met February 3 to make Valentine gifts for their parents. This was done under the direction of Mrs. Lars Jacobsen, their leader, and her assistant, Mrs. S. Smyth.

The boys made heart trees by painting a few weeds red, putting them in plaster of paris and decorating the edge with small hearts.

Last Saturday Mason Fries, Alan Hill, Mike Smyth and Keith Jacobsen of the den placed on display at John W. Loop, Inc., at the Crossroads, some of the objects that will be shown at the Scout Exposition at Acalanes High School February 20.

Church President To Speak Tonight

E. S. Heckathorn, organizer and manager of the United Chemical Manufacturing Company in Richmond, first elected president of the Church Council of the Shepherd of the Valley Lutheran Church in Orinda and duly elected delegate to the Sixty-third Annual Convention of the Evangelical Lutheran Synod of the Pacific Southwest which met in Long Beach, February 1, will report on the activities of the synod to the congregation tonight at 8 o'clock.

Before taking part in the Lutheran work here in the West, Mr. Heckathorn was active in the Ohio Synod as field representative for Wittenberg College and also a member of the New York Synod, of the United Lutheran Church of America which is made up of 34 separate synodical bodies all united under a single government .

"God's Method of Reward" will be the sermon topic used by the pastor, Reverend Edward R. Andersen, at the 8 and 11 a.m. services. The basis for this sermon will be the story which Jesus told of the householder who hired men at different hours of the days, but at the end of the day all of the men were paid equally, and given the same wage.

The newly elected president of the Church Council will be the guest speaker at the Sunday School services at 9:30 and 10 o'clock.

Church Rummage Prepared

Silver platters, glassware, tuxedos and fur coats, even a slide projector of ancient vintage and a television set, to say nothing of lamps and books and clothes of all sizes and sexes are pouring into the rummage department of the new St. Stephen's Episcopal church on Via Las Cruces in Orinda.

The sale will be held Monday and Tuesday at 2436 Grove Street in Oakland.

MRS. WILLIAM ARENDS, chairman, has announced serious shortages among her accumulated treasures. "We have very little antique furniture, no mink coats, we need lots more wearing apparel of all kinds, especially shoes, and where are the pots and pans of yesteryear?"

All those persons wishing to remedy these crucial deficits may take their offerings to the undercroft of the new church, which is nearing completion on Via Las Cruces, the new road joining Las Vegas and Honeyhill Roads in the Charles Hill area of Orinda.

FURNITURE OR HEAVY articles will be picked up by a special crew under the chairmanship of Mrs. H. Watts Pillsbury, Orinda 2579.

Workers have been announced by Mrs. Arends. Mrs. Walter E. Christie is chairman of men's wear, and will be assisted by Mesdames E. F. Hockenbeamer, A. C. Hollister, Ben Johnson, Robert Bigler, S. K. Bottomly, Frank Hibbard, David Collamer, Robert Moorehead and William Sparling.

Ladies' wear is under the chairmanship of Mrs. T. E. Haley, assisted by Mesdames Lloyd White, James Anderson, Sigurd Groennings, Harold Hawes, James Lamberth, H. W. Gentry and J. E. Almond.

HOUSEWARE, Mrs. A. E. Henry, with Mesdames Arthur Bowman, Arthur B. Johnson, Wesley Smith and Kenneth Brown; hats, Mrs. Harold Doane and Mrs. William Haluk; jewelry, Mrs. A. R. Snoble, with Mesdames Mark S. Sorenson, F. B. Connell and Theodore Sanford.

Children's wear, Mrs. H. Watts Pillsbury, with Mrs. George Goerl and Mrs. Clinton Easterbrook; shoes, Mrs. Kenneth Detling and Mrs. Earle Hill.

Cashiers will be Mrs. Paul Booth and Mrs. Ida Zamloch, with Mrs. William J. Gilman, Mrs. James E. Sullivan and Mrs. Robert Harrison serving as checkers.

Two Orinda Men Honored at Party

Paul J. Arenson, 52 Dolores Way and Frank J. Thomas, 52 Broadview Terrace, will be honored at a dinner tonight, at the St. Francis Hotel in San Francisco.

They are members of the Forrest J. Curry Agency of the Penn Mutual Life Insurance Company, which will receive the President's Award for outstanding achievement during 1953.

'Desert Road'

"On A Desert Road" is the theme chosen by Reverend Fred R. Morrow for his sermon Sunday in the 11 o'clock worship service of the Orinda Community Church.

He will be assisted by Ray Welles, who heads the church's youth program. Light-bearers are Babette Ambler and Sandra Jones.

At the earlier 9:30 chapel service Mr. Morrow and Mr. Welles will preside, with Harena Hewitt at the console of the memorial organ. Following the brief service adults will enter into a discussion period with Miss Adena Joy, family life specialist in the University Extension Service. Church school departments for all ages meet at that hour also, under the general supervision of Everett D. Howe.

Enjoy S.F. Trip

The Primary Association of Orinda Branch of the Mormon Church, held a Valentine party yesterday. After the usual preliminary exercises, appropriate games were enjoyed by the various age groups and refreshments were served, in place of the usual class work.

Last Saturday the 10 to 12 year group enjoyed a visit through the Mission Dolores in San Francisco, after which they ate a picnic lunch and went through the Steinhart Aquarium and the DeYoung Museum. They were accompanied by Mrs. Beth Eggertson and their teacher Mrs. Lillie Bargaehr.

Cake Sale Will Aid Landscaping

Mothers and dads of Del Rey School children will hold a Valentine Cake Sale at the Sprouse-Reitz Store on Moraga Highway near the Crossroads from 10 a. m. to 4 p. m. tomorrow to raise additional funds for landscaping of the school grounds.

President Ernest Rahmeyer of the Moraga Del Rey Community Association has promised to bake a cake which will include "coin of the realm." This cake will be awarded as a prize either at 4 p. m. or right after all the other cakes have been sold.

Rahmeyer and Mrs. G. W. Mulks, co-chairmen of the Del Rey Landscaping Committee, reported this week that the project at the school grounds, in which several neighborhood associations are cooperating, is nearing completion.

"As a group we are very appreciative of both the financial and labor aid supplied by most of the adjacent residents and associations, although a few have been conspicuous by their absence," they said.

Marvin Bonds Takes Over Cal. Art Firm

Marvin T. Bonds, 350 Overhill Road, Orinda, has acquired sole ownership of California Art and Engraving Co. of Berkeley with the purchase of the interest formerly held by Thomas A. Moore.

The 27-year-old firm now operates one of the largest engraving plants on the Pacific Coast.

I'm Cocky
by Bill Simpson
Ginny and I just got back from shopping the fabric and carpet market in Los Angeles—and I'm cocky.
I think the new stuff we lined up is the hottest we've ever had in the store. If you want a preliminary peek at a few of these new fabrics and carpets, drop in and give us a gander.
And remember the new stuff, as well as the old, is available on our liberal budget terms.
Cordially,
Bill

Former Consul to Address AAUW

Bohus Benes will be the speaker at the general meeting of the Walnut Branch of the American Association of University Women Wednesday at 8 p. m. at the Walnut Creek Women's Club.

Benes, at present a lecturer in political science, will speak on the subject "A Foreigner's View on the Leadership of the United States in World Politics."

The theme for the local International Relations section for this year is "How Can the United States Win Friends?" The National AAUW theme is "Making Democracy Work."

Benes was formerly Czechoslovakian Consul in San Francisco. For more than 28 years, he was a member of the staff of the Czechoslovakian Ministry of Foreign Affairs.

While assigned to the League of Nations in Geneva, Switzerland, he was press attache and personal aide to Dr. Edward Benes when the latter was Czechoslovakian Minister of Foreign Affairs.

As secretary to President Dr. Edward Benes, he took part in the organization of the movement for the liberation of Czechoslovakia during the second World War. After serving for six years as Consul of Czechoslovakia for the seven western states, Bohus Benes resigned his post in protest against the Commnuist coup de force in 1948.

Since then he has become a lecturer in political science and has taught at Mills College, Ohio State University, San Francisco State College and the Extension Division of the University of California.

PLENTY OF HUMOR was provided by the skits at the Lafayette Women's Forum annual birthday celebration at the Orinda Country Club last week. Mrs. E. H. Haase (left), president, and Mrs. R. H. Lockey starred in one of the skits and apparently enjoyed the act just as much as the audience did. — SUN Photo by Mattson

Stanley Weds Helen Smith In San Diego

Wearing the veil of Brussels lace which her mother wore for her wedding, Helen Kinnell Smith became the bride of Richard Newton Stanley of Lafayette at a candlelight ceremony in the sanctuary of St. Dunston's Episcopal Chapel in San Diego, Saturday evening, January 30.

The bride, the daughter of Mr. and Mrs. Clifford Edward Smith of La Mesa, was gowned in antique satin fashioned with long princess sleeves, scalloped neckline and a cathedral train. The heirloom veil, held by a lace cap, formed a flowing train, and her bouquet was of white roses. She was escorted to the altar by her father.

BARBARA CAMILLO maid of honor, wore a gown of beige lace with a cocoa brown velvet sash and matching slippers. The bridesmaids, Charlotte Massie and Betty Welp, sorority sisters of the bride, were dressed identical to the honor attendant. Each girl wore a cloche hat of beige lace and carried a bouquet of yellow roses, the maid of honor's flowers being of a deeper hue.

Little Christine and Peggy Olson of Fairfield, Helen's cousins, served as flower girls. They were dressed in pink and blue and carried matching nosegays.

A reception was held after the ceremony, at the Admiral Kidd Officers' Club in San Diego. After spending their honeymoon in the desert, the young couple have returned to Lafayette to make their home.

THE NEW Mrs. Stanley attended Scripp's College and graduated last year from the University of California. She is a member of Kappa Delta.

Richard, son of the Matthew Howard Stanleys of Martino Drive, Lafayette, received his degree in 1951 from San Jose State, where he was affiliated with Delta Upsilon Fraternity.

Ushers were Nelson Smith, brother of the bride, and Alan Beck of Lafayette. Clarence Stanley of Walnut Creek served as best man for his brother.

Mrs. Smith attended her daughter's wedding in a pale blue gown with white accessories. The groom's mother was gowned in gray with matching hat and gloves. Both mothers wore corsages of pink orchids.

RICHARD IS A member of a pioneer Lafayette family. His grandparents, the late Capt. and Mrs. James C. Eagles, were among the early residents of Lafayette.

A large number of relatives and friends of the young couple traveled to San Diego for the ceremony. Among them were Mr. and Mrs. William Abbott and Alan Stanley of Lafayette and Mr. and Mrs. Robert Schroder and Mr. and Mrs. Clarence Stanley of Walnut Creek.

Coffee, Humor At GOP Women's Meet Thursday

A "koffee klatch" will precede the monthly 10 a.m. meeting of the Orinda Republican Women's Club Thursday at Orinda Community Church.

Mrs. Jean Welch, in charge of refreshments, invites all members and friends to meet at 9:30 a.m. for coffee.

President Jane Barrows will call the regular meeting to order. Club members will present a humorous skit depicting the trials and tribulations of the precinct worker.

Mrs. Barbara West, program chairman, announces the cast will include Mesdames Elizabeth Folliard, Virla Krotz, Jane Barrows, Thelma Sweet and Ruth Jacobus.

A panel discussion on precinct and registration procedures will follow. Panel members will be Mesdames Sweet, Krotz, Emerald Smith and Margaret Gathings.

Alex Howard and Joan Zavattero To Be Married

Wedding plans of Alex Howard and Marilyn Joan Zavattero have been informally announced to friends and relatives recently by the young couple.

Although plans are not yet final, the wedding will be July 24 in either Oakland or Berkeley, followed by a honeymoon trip to British Columbia.

Alex is the son of Mr. and Mrs. C. B. Howard, 889 Moraga Road. Marilyn is the daughter of Dr. Matthew Zavattero of Oakland.

Alex recently graduated from San Francisco City College where he majored in Electronics.

AAUW Garden Unit to Meet At Camp Home

The garden section of the Walnut Creek Branch of the American Association of University Women will meet at the home of Mrs. Sherman A. Camp, 51 Lusherm Court, Walnut Creek at 12:30 p. m. Thursday.

Mrs. Sherman Camp and Mrs. Burton Hoover will lead a discussion on African violets, according to Mrs. Elroy Condeff, garden chairman. Coffee will be served by the hostess.

Women's Guild Hears Tenor,

The Women's Guild of Orinda Community Church met for luncheon, a business meeting, and a program February 2 at 12:30 p.h.

Hostesses were members of Section 2. Presiding was the president, Mrs. Robert Brown.

Mrs. John Gilmore, program chairman, introduced the tenor soloist Kenneth Wohn and his accompanist Lucille Fahay. The 90 women present enjoyed and appreciated his singing. His numbers were "Drink To Me Only with Thine Eyes," "The Hills of Home," and "At Dawning."

The devotions were led by Ray Welles who was introduced by Mrs. Lance Barden.

The concluding part of the program was given by Mrs. Constance Hansen who talked on the care and culture of African violets. Demonstrating her talk was a table filled with potted violets of "Blue Boy" and "Pink Girl" varieties. She showed how to divide and repot plants, and answered many questions.

Constance Hansen is a graduate of the University of California and has the care of the large green house of African violets at the Orchard Nursery.

Jose Greco Dancers Open March 1 in SF

Jose Greco, hailed as the world's greatest Spanish male dancer and his troupe accompanied by singers and musicians, open at the Curran Theater for two weeks on Monday March 1.

Audiences see a wide and colorful variety of dancing, including the pure ballet the Spaniards imported from Russia, and then made characteristically their own; the traditional 18th Century dances; regional and folk dances; fiery flamencos, danced by actual gypsies from the caves of Granada.

The bill features several works choreographed by the late Argentinita, with whom Grego danced for many years.

Leading dancers of the company are Nila Amparo, Lola de Ronda, Luis Olivares, Juanele Maya, Salome de Cordoba, Tina Velez, Julio Torres, Malena Vargas, Angel Soler, Antonio Jiminez, Rocio de la Torre, Felipe Lanza, Jose Mancilla, Margarita, the guitarists Ricardo Blasco and Miguel Garcia, the Flamenco singer Shinin de Triana and the eminent composer and pianist Roger Machado.

Performances will be given every evening during the run, with two Saturday matinees and a Sunday matinee and evening performance, March 14, the closing day.

Prices for night performances are $4.20, 3.60, 2.40 and 1.80. Matinee prices are $3.60, 3.00, 2.40 and 1.80. Tax is included in prices and mail orders are filled immediately upon receipt.

Please write us news about your family, friends, clubs and interesting events. If you see something important, call at once.

Primula Obconica Now Fashionable

Primula Obconica has stepped from the pot plant class into the shade garden. As a result, months on end of bloom in the shade garden from plantings of Primula Obconica are becoming the fashion.

Best treated as a spring planted annual, it will, on occasion, live through a full year cycle and flower the second year.

As a shade plant, Primula Obconica prefers a friable soil with a high content of humus. Liberal watering is a necessity. Fertilizer should be applied in light dosages, and an acid fertilizer is recommended.

GOOD DRAINAGE is essential as Primula Obconica has a tendency to root rot.

Given good growing conditions, Primula Obconica is a grand addition to the shade garden. Large, showy florist quality blossoms appear for months on end.

Close planting is possible, as no cultivation is necessary. Because of this quality, pot-grown plants can be set into a neglected bed giving a garden-grown effect.

THE CALIFORNIA BEDDING Plant Advisory Board advises potting a few Primula Obconica for this special purpose. As they come into bloom, they can be set around the shade garden as needed.

Should too many come on at a time, they can be used for house plants or as gifts.

Good companion plants are other members of the Primula family, such as Primula Polyanthus and Primula Auricula and also Mimulus, Cineraria, Columbine, Forget-Me-Not and English Daisy .

Your Garden

Tuberous Begonias Require More Than Average Care -- but They're Worth It!

TUBEROUS BEGONIAS are tender tropical plants which can be grown with excellent results.

While they demand more than average attention, the thoughtful gardener will be amply repaid with an abundant production of lush camellia and gardenia-like blossoms.

The many begonia varieties are available in colors of rose-red, fuchsia-like scarlet, bright red, pink, mallow-pink, peach, orange, yellow and white shadings.

THE CALIFORNIA ASSOCIATION of Nurserymen reports that begonia tubers are available in most California nurseries now. It states, however, that they **should not** be planted directly into the ground at this time.

Rather, the tubers should be set into shallow nursery flats, layered with peatmoss. Leave the top third of the tuber exposed. Set them about 3 inches apart in the flats.

Place the flats in a warm, shaded location until the leaves are 3 or 4 inches across. Then transplant into pottery containers, hanging baskets or permanent beds.

MANY GARDENERS prefer to plant tuberous begonias in containers and hanging baskets. An enriched soil preparation composed of two parts coarse leaf-mold and one part fertilizer and loam — not too finely ground — should be used in this type of planting.

Tuberous begonias have exacting drainage needs. A broken piece of pottery should be placed over the drainage hole of the pottery containers. A layer of pebbles on the bottom of the container also improves drainage.

Nurserymen suggest placing sphagnum moss around hanging basket begonias to contain the soil mixture and permit drainage.

BEGONIAS RESPOND best when the soil is slightly moist — not wet. Avoid placing them in direct sunlight. Filtered light and warmth are sufficient for proper plant growth.

Prepare begonia beds by trenching in well-rotted cow manure mixed with a little bone meal. If the soil is heavy or poorly drained, add leafmold, peat and sand.

As soon as the plants reach a height of 4 to 5 inches, fertilize with a good dry or liquid fertilizer recommended by your nurseryman. One or two applications of fertilizer during the growing season is sufficient under most growing conditions.

HOME and GARDEN

Plywood's Really Easy to Handle

Plywood is a popular, easy-to-handle material in many types of jobs at home. Shelves, cabinets, storage walls, bookcases, desks are just a few of the many items which can be made out of plywood.

It's available at your local lumber dealer. The dealer will be glad to give you expert advice — not only on the quality of the plywood, but also helpful pointers on construction steps.

Fir plywood with two faces of highest appearance is needed when both sides of the panel will be seen in the finished job.

Faces which may contain carefully made repairs are smooth and easy to paint.

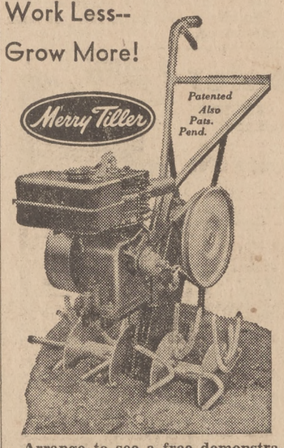

Also, with selection for uniform pattern and appearance, beautiful light stain finishes may be used.

Do you plan to use your built-in outdoors or where abnormal moisture conditions may be encountered?

Don Track Coaches Hope for Top Teams

60 Candidates To Try Out for Varied Events

Acalanes track Coaches Charles Eaton and Bob Stevens are surveying some 60 candidates for track and field, with the hopes of building championship outfits.

The Varsity and lightweights of last season ended up in the No. 2 spots and hope to come through a notch higher this year..

THE DON BEES are pretty much of an unknown quantity.

Many of last year's performers have moved up to the Varsity squad, and Coach Stevens will be relying on freshman replacements.

Part of the story will be told when the opening Interclass Meet is held on Friday, March 5.

THE VARSITY LOOMS as a strong club on paper, on the basis of past performance of prospects.

In the sprints, Coach Eaton has a sure point-getter in Bob Carlson, who was the county's second best last year.

A surprise package in the sprint events may be frosh Gary Arel, who looms as a coming great. He has size and the physical assets, but it remains to be seen if he is ready for Varsity competition.

IN THE 440 there are two good candidates up from the Bees in Jeff Wahl and Gene Bell.

The 880 finds a transfer student, Marshall Dutton, who looks capable of some fast times. It is reported that he has run the event in 2:05 while at Menlo. He should improve on that with another year behind him.

MAIN STRENGTH of the Don tracksters appears to lie in the weight events.

Ray Williamson, Gil Hanawalt and Jim Hart are all veterans of the shot and discus, where they figure to garner plenty of points. All are capable of 50 feet or better in the shot and are equally adept in the discus circle.

Carlson also looms as a point-getter in the shot but may be used in the broad jump, where he is capable of better than 20 feet.

IN THE MILE, Lee Benon, Wally Adams and Fred Lincoln promise to be good performers, with Lincoln a bright prospect, having been an outstanding 1320 man last season.

In the pole vault, Ray Oslin and George Coad look good, with a newcomer in Stan Mumford adding to the potential point-getters.

Another newcomer, David Brown, who hails from Cortland, is fast rounding into form as a hurdler, along with Jim Sweet, Phil Reinheimer, Roger Schultz, Bob Roberts and Alden Robertson.

Brothers Boyd and John Watkins will show in the sprints and as hurdlers.

IN ADDITION, there are host of track candidates, many of whom will develop and come to the front once the season gets under way.

It's too early to tell how the county meet will go, but rest assured that it will take a strong team to measure the Dons this season.

SPORTS

Dons Win Over Knights but Meet Tough Opposition

The Acalanes Dons scored a double win over the Las Lomas Knights Tuesday afternoon in the Acalanes gym, but it wasn't easy.

In the Varsity game, the Knights suffered from what appeared a case of stage fright as they went down 56-37.

In the Bee game, the Don Babes eked out a 28-27 victory.

ARNE LUNDQUIST, ace center of the Las Lomas Varsity, had one of his poorer games as he had difficulty finding the hoop.

He had but one field goal in three quarters of play before loosening up in the final quarter.

The Dons were "on" from the opening whistle. They tanked 19 points in the first quarter to 7 for Las Lomas.

AT HALFTIME, the Dons led 38-15. From there on, Acalanes Coach Jean Ridley benched his regulars, with reserves putting in the playing time.

Tim Freeman tanked 17 points, while a budding sophomore, Joe Sheaff, had a field day of his own, with 15.

The Knights displayed good floor work and passing in spots but tied up when it came to hitting the hoop.

A goodly part of that can be laid to inexperience and the fact that they have no seniors and that it's their first season of Varsity league play.

IN THE BEE game, Las Lomas came within a bucket of pulling the upset of the year.

The Don Babes had to pull out all stops to achieve their narrow win.

The Dons were in front 11-9 at the half, and it was 19-all at the three-quarter mark.

In the fading moments, with Acalanes ahead 28-27, fans were given an added thrill when the Dons' freshman guard, John Cadwell, took a look at the clock and fired a long, looping shot, thinking but five seconds remained.

It turned out to be a minute and five seconds, giving the Knights a chance to win, but time ran out before Las Lomas could score.

THE LITTLE KNIGHTS displayed some fine ball, with their ace forward, Dick Jordan, hitting for 12 points, to keep him in the race as one of the league's top scorers.

Tom Collins was the big gun for the Don Babes. He rattled the boards for 14 points, for top scoring honors.

IN OTHER VARSITY league games, scores were:

Antioch, 47; Pleasant Hill, 21 (at Antioch).

Diablo, 50; Pittsburg, 49 (at Diablo).

Alhambra, 56; John Swett, 36 (at Alhambra).

Albany, the league leader, drew a bye.

IN THE BEE games, results were:

Antioch, 50; Pleasant Hill, 22.

Diablo, 36; Pittsburg, 30.

Alhambra, 31; John Swett, 30.

Rams Come Close But Indians Win

The Pleasant Hill Rams came close to pulling the upset of the week last Friday night when they almost toppled the John Swett Indians, only to lose the Varsity game, 38-34.

The Papooses outscored the Ram Bees, 45-27.

The games were played at Mt. Diablo's gym in Concord.

THE VARSITY SCORE was a sharp contrast to the teams' first meeting, when the Rams were dropped 55-22.

John Swett had what appeared a comfortable halftime lead of 22-11, but the determined Rams came strong in the final half.

THE STORY WAS really told in the free throw column, with John Swett capitalizing on 12 out of 26 chances.

The Rams collected on eight out of 12 free throw tries.

Ray Johansen led the Ram scorers with 11 points, while Crockett's Jack Turner, jumping jack center, accounted for 13.

In the Bees, Rich Nunes of Crockett fired in 19 points, to lead his teammates.

Acalanes Varsity Whips Panthers But Babes Lose

The Acalanes Varsity tripped the Antioch Panthers by a 44-37 count last Friday night at Acalanes, but the Don Babes were rapped 41-25 by the league-leading Antioch Bees.

The games marked the opening of the second round of league play. They were a repeat as far as the win-loss column was concerned.

In their initial meeting with the Panthers, the Don Varsity copped the decision 36-28, while the Don Babes were dropped 35-19.

LAST FRIDAY'S Varsity game was a slow, methodical affair.

The Dons played far from their best, yet well enough to take the Panthers, who had difficulty finding the backboard, let alone being able to hit the hoop with anything resembling consistency.

It was close enough in the opening quarter, when the Dons edged the opposition 10-8.

The lead was extended to 22-12 at halftime, due to the fact that the Dons hit on six out of eight free throws. Buzz Ferrarese hit two field goals and Red Jones scored another.

Antioch's efforts in the second quarter resulted in but two field goals and a meager four points.

ANTIOCH THREATENED to pull up early in the third quarter, but the Dons came back to score 15 points to Antioch's 14.

Antioch did outscore the Dons 11 to 7 in the final stanza but only after Acalanes Coach Jean Ridley had inserted a host of substitutes.

Guard Ralph Holding of Antioch topped the scorers with 16 points.

Bart Ferro paced the winners with 13.

IN THE BEE game, the Don Babes were simply outclassed as the visiting Panthers ran up a 24-8 halftime lead and went on to register an easy win.

The Antioch Bees added the Don scalp to their victory skein in no uncertain manner.

Antioch's star guard, Joe Vistalli, and Forward Alan Sutton of Acalanes shored scoring honors by hitting the hemp for 12 points apiece.

Devils Defeat Knight Fives

The Mt. Diablo Red Devils dropped the Las Lomas Knights last Friday night at Las Lomas by a 63-28 count in the Varsity game and a 25-18 score in the Bee encounter.

The Bee game was highlighted by a total score of 3 points at the end of the first quarter, with Las Lomas out in front, 2-1.

In the Varsity game, the on-and-off Devils were definitely "on" as they scored with regularity and played up to pre-season predictions.

Top scorer for the Devils was Fred Crabaugh with 17.

Arne Lundquist topped the Las Lomas five with 9 points.

Softball League Seeks More Teams

The Walnut Creek Softball Association, with Hec Miles as president, is seeking more teams for play during the rapidly approaching season.

Teams from outside Walnut Creek are sought, with hoped-for entries from Gregory Gardens, Lafayette and Danville eagerly awaited.

Anyone having a team and interested should contact Miles for further information. His phone number is YEllowstone 4-3460.

Lincoln's Birthday Causes Shift in Basketball Play

The schedule for league basketball play was thrown off its course this week when all Friday games were shifted to last night because today, being Lincoln's Birthday, is a school holiday.

In last night's games, played as this issue of The SUN was going to press, Acalanes traveled to John Swett.

Las Lomas hosted Albany, Pleasant Hill and Alhambra tangled at Concord and Antioch and Diablo played at Antioch, with Pittsburg drawing the bye.

Next Tuesday in 3:30 p.m. games it's Antioch and Las Lomas at the Walnut Creek gym, Pleasant Hill and Diablo at Concord, Pittsburg at John Swett and Albany hosting Alhambra, with Acalanes sitting on the sidelines with a bye.

Vikings Appear Ready to Claim Top Casaba Spot

The Viking basketball team of East Contra Costa Junior College appears about ready to claim its first championship.

With but five games to go, the Vikings are three games out in front and are undefeated in conference play.

So it seems unlikely that any other team will overtake them.

The Vikings have been second a number of times, and a championship would be an important milestone in what promises to be a successful athletic program.

Bob Borghesani, ex-Don all-around athlete, is the team's mainstay and top scorer from his center position and figures to repeat as an All-Conference choice when the season ends late this month.

Cal-Vet Enrollment, Costs Show Decline

Fewer student veterans enrolled under California's educational assistance program last fall than a year earlier, and the cost to the state decreased even more than enrollment.

According to Lewis K. Gough, chairman of the California Veterans Board, 6371 "Cal-Vet" students were in training statewide in the 1953 fall semester, a drop of 429 from the 1952 fall figure of 6800.

Aid to students last fall totaled $905,000 — a $212,000 decline from assistance which in the corresponding 1952 term cost $1,117,000.

Teen-Agers Asked to Pledge Safe Driving

Approximately 20,000 teen-age students of Contra Costa County and their parents are being asked to constitute a citizens' highway safety corps during 1954 by pledging themselves to observe safe driving practices.

Charles Ferrell, coordinator of trade and industrial education, announced today that 20,000 safe driving pledge cards are being distributed in the high schools and junior high schools of the county.

Students are requested to discuss the pledge with their parents and sign and mail the card, which is addressed to Governor Goodwin J. Knight. Similar cards are being distributed throughout California by chapters of the National Safety Council.

Adler to Talk At St. Mary's

Liberal education and its role in the training of democratic people will be the main theme of a lecture by Dr. Mortimer J. Adler Thursday, 8 p.m., at Oliver Hall, St. Mary's College.

The address, first in a series sponsored by the Associated Students, will be entitled "Education in an Industrial Democracy."

Dr. Adler, a champion of the liberal arts and of the Great Books curriculum, is director of the Institute of Philosophical Research in San Francisco. His Sunday afternoon television program, "The Great Ideas," has won him many admirers.

Admission price is $1.

Unruh Chous Wants Singers from Area

Central Contra Costa County residents are among those appealed to by the Unruh Philharmonic Chorus in its call for more singers to perform in Mendelssohn's "Hymn of Praise" with the Oakland Symphony Orchestra in May.

In addition to this concert, the chorus will also perform for Easter Sunrise Services at Mountain View, and for the Mothers' Day program in the Oakland Rose Garden.

Prospective singers are urged to call TWinoaks 3-9918 immediately for further information. Rehearsals are held Tuesdays, 8 p. m., at 478 Santa Clara Avenue, Oakland, opposite the Grand Lake Theater.

Need Action to Relocate Road

Proposal by a number of community groups that San Pablo Dam Road be relocated behind the Village, to connect with the Interchange ramp, points up the seriousness of this problem.

The SUN is in 100 per cent agreement with the argument that this relocation is necessary for the future development of Orinda.

True, work on widening Orinda Highway, as the road is generally called here, to four lanes from the Crossroads to the vicinity of Miner Road won't be started until the Interchange is completed. But that is no reason for prolonged delay in decision on the relocation.

In fact, it would appear imperative to have definite plans ready as soon as possible, so that there will be no delay in the project when the proper time arrives. If the present road is widened in the next several years, it seems obvious that traffic will become so great that by-passing of the Village will then have to be effected.

If relocation is put off until then, the job will cost more. The wisest course is to plan now for the relocation.

It is heartening that County Road Commissioner Victor W. Sauer's staff is seriously considering the proposal. Sauer stated this week that the relocation could be accomplished without culverting the creek all the way — that culverting would probably be required in only a couple of places, near each end of the project. He further stated that Fire House No. 1, which is near the creek, would not have to be moved.

Those facts add weight to the points already made by the Orinda Association, the Orinda Chamber of Commerce, the Orinda School Board and the Christian Science Church Board of Trustees, as well as by the board of the Diablo Highway Improvement Federation — that relocation is essential for proper business development in the future and for safety of school children. The school board stresses that its main reason for favoring relocation is student safety, inasmuch as the existing road goes in front of the Orinda School and near the Pine Grove site for the upper grade school.

For all these reasons, The SUN supports the relocation proposal and hopes that the road commissioner's office will speed the plans.

New DAV Group Meets Tonight

The first official meeting of the newly organized Mt. Diablo Chapter of Disabled American Veterans will be held in Veterans Memorial Hall, Willow Pass and Colfax Streets, Concord, tonight at 8 o'clock.

Committees from Mt. Diablo Chapter of Veterans of Foreign Wars, Chamber of Commerce, Fleet Reserve Association and City of Concord will be on hand to welcome the chapter into the community. Charles Albera of the VFW; Harrison Spivey of the Fleet Reserve branch 121; Al Day, president of the Chamber of Commerce, and Concord city councilman will head the respective welcoming committees.

Official installation of officers and "charter night" is set for an early date, possibly April or May.

Shopping at home has a number of advantages. You save time, effort — and money, too.

Heritage Group To Meet at Home Of Hy Wiseman

The next meeting of the "Our Jewish Heritage" Group, sponsored by the League of Jewish Women, will be held February 21 at 7:30 p. m. at the home of the Hy Wisemans, 1384 Magnolia Way, Walnut Creek. For reservations call Mrs. Ruth Hersh, YEllowstone 4-4225, Mrs. Percy Cohn, Lafayette 2404 or Mrs. Weinstock, Martinez 523W.

Rabbi William Sajowitz from Stockton will lead the group's discussion.

Half High School Grads Plan College

More than half of the 1953 high school graduates in Contra Costa County planned to go to college, and nearly half of them selected junior college, according to a survey reported in the current issue of California Schools, a publication of the California Department of Education.

Letter to the Editor

Dear Editor,

I want to thank you for the article by "Politicus" which at last brings before the many readers of The SUN the very important fact that Carlson and company are, and have been for many years, trying to "boss" this county, and in many instances have succeeded.

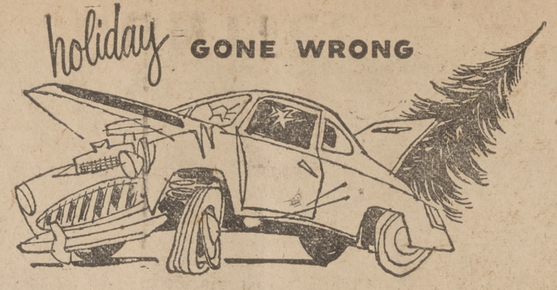

In light of the Kefauver Crime Investigations and the committee's statements to the effect that Contra Costa is one of the most corrupt counties in the United States, to be "boss" of this county is indeed a dubious honor.

However, it behooves the voters of this Congressional district to see that no attempt is made to extend this influence and control to the Congress of the United States.

I am sure that whether it be through the screening committee or not, the Republican committee can come up with a card-carrying American to run for Congress and at least give the voters of this district something better than choice of the lesser of two evils.

Mrs. Mark Valory

What They Say . . .

Do You Observe Valentine's Day?

Almost everyone seems to have a soft spot in his heart for St. Valentine's Day.

Since Sunday is the celebration of that Saint's Day, The SUN this week phoned several local residents to ask "Do you observe St. Valentine's Day? How?"

And here are the answers:

"OF COURSE," said Mrs. R. F. Odenthal, 72 Camino Sobrante, Orinda. "Especially with the children and grandchildren. We just send valentines to each other, and possibly I bake a few cookies for them."

"Well I usually send a few cards and remember my neighbor children — that's about all," replied Mrs. Joy Hoskins of 1625 Terrace Way in Walnut Creek.

"Oh, gee.— we don't, except the kid's at school," said Mrs. W. I. Nunnaly of 2021 Oakland Boulevard in Walnut Creek.

Mrs. Odenthal has five children and 10 grandchildren.

"Definitely," said Mrs. Jack B. O'Harra, 32 Dos Possos Road, Orinda. "Particularly for my grandson, and father, too, of course. I have observed it all my life and am very much in favor of it. We usually buy some little gift, just for the fun of it."

MRS EDWARDO OLANDO, 690 Glenside Drive, Lafayette, has a particular reason for feeling friendly toward St. Valentine. "He was an Italian fellow," she said, "and I am of Italian descent."

Mrs. Ronald L. Olson, Las Huertas Road, Lafayette, said "Usually my husband brings me a card, or a box of candy or something, and I usually fix him something special that he likes."

"No we don't," answered Mrs. F. W. Durrer of 114 Hubbard Avenue in Pleasant Hill, adding, "our children are a little young for that."

MRS. ROBERT J. Erikson of 1631 Ruth Drive in Pleasant Hill said simply, "No, we don't."

Local People To Show Dogs

Members of the Orinda-Lafayette-Walnut Creek group will be represented with a variety of pedigreed canines in the coming Oakland Kennel Club Dog Show tomorrow and Sunday at the Oakland Exposition Building.

Among them are Mr. and Mrs. Milo W. Hanson, W. E. Grace, Mrs. Olive Shanahan, Anne G. Lewis, Bernice L. Bryan, Mr. and Mrs. David W. Zitt, Dr. and Mrs. J. P. Murphy, Helen C. Viscovich, Marjorie and Jefferson E. Greer III.

They will be represented with Bedlington Terriers, Old English Sheepdogs, Welsh Corgis, Boxers, German Short-Haired Pointers, Weimeraners and Chihuahuas.

Mills President To Speak at Las Lomas Feb. 25

"The Life of the Mind," will be the topic of Mills College President Dr. Lynn T. White Jr., when he speaks in Las Lomas High School February 25, sponsored by the Mt. Diablo Mills College Club.

Invitations have been sent to civic organizations in surrounding communities, local high school faculties and Mills Alumnae, according to Mrs. E. H. Conner, president.

Mrs. Howard Paine of Concord is refreshment chairman. Mrs. Stewart Wade and Mrs. William Spencer of Lafayette and Miss Clarice Boies of Antioch are handling publicity and invitations.

Letters to The Editor

Dear Editor:

Mr. Fred Wagner's letter in the January 29 SUN takes issue with Mr. R. D. Buffington and the "I moved to the country because" group. Of course we moved to the country because. Why does he think Lafayette is growing?

We are certainly not for "closing the gates" or a lack of progress. But we do want progress and not a messed up community. Lafayette needs planning, and the untiring efforts of the past that Mr. Wagner mentions are appreciated or we all wouldn't have come.

But is that any reason present planning needs to be botched? Let business stay in the business district, acre areas stay acre areas, residential areas far from the highway residential areas.

THERE IS PLENTY of room for expansion without ruining the good things already here. Must Happy Valley be infiltrated? Must our school children be endangered?

Mr. Wagner makes much of the "fast traffic, congestion and poor parking facilities" on Mt. Diablo Boulevard, yet he wants to take the one and only section of Lafayette that has two elementary schools, two churches, the library and a nice residential section and turn it into that same "fast traffic, congestion and poor parking" by encouraging a four-lane highway in a 15-mile zone, business in a residential section, and call it progress. That doesn't make sense, Mr. Wagner.

Business can and should expand along Mt. Diablo Boulevard with back roads a block on each side cut through for access and better parking. There is a signal at Moraga Road — let the area across the highway adjacent to the new Safeway store be turned into a shopping area if one is needed. But please, Mr. Wagner, don't inflict "fast traffic, congestion and poor parking" on our school-church-library-residential area the other side of Mt. Diablo Boulevard far from the natural business section.

WE ALL WANT widened, improved roads, wide enough for the fire trucks. That doesn't mean four lanes or fast traffic in front of our schools on roads used by children seven days a week.

There will be a freeway soon, leaving Mt. Diablo Boulevard the natural business section it already is. Or is business to invade residential areas, leaving Mt. Diablo Boulevard to junkyards and industry? A fine face for Lafayette to turn to the world!

We came to Lafayette "because" . . . not to find restrictions ignored, our children ignored, and all in the name of progress.

PROGRESS WOULD have planned on a recreation center where the Town Hall is beside the two schools, in spite of Mr. Ghiglione if he won't cooperate and be a town hero.

Progress is keeping the country flavor and yet having attractive shopping areas along the highway with backroad access.

Progress is keeping school streets safe, churches safe, residential restrictions safe — and the area an attraction for future residents, not something to be ashamed of.

Progress is smart planning. Those within a block of the highway may not enjoy being nudged by business, but those half a mile away certainly shouldn't have to live in a city atmosphere. Progress means a suburb that stays smart, not one that waits until people are happily settled in a restricted area and then changes restrictions unnecessarily.

PROGRESS IS attracting new residents and growing in the right direction, but it is also keeping present residents as happy as possible. Changes that need to be made can usually be made without dislocating and upsetting settled sections because of the whim of the few.

Mr. Wagner mentions a 60-4 vote as meaning nothing because people "want more and better places to shop."

The 60 who voted against making a four-lane highway in front of our school and putting business in a residential area far from the highway are certainly not against more and better places to shop. We simply think there are other places for expansion and see no reason for completely disrupting the one and only school-church-library-residential section and endangering the lives of school children.

WE ARE FIGHTING for a healthy and vigorous community, too — which is exactly why we want Moraga Road left healthy. Widened and repaved, yes, with sidewalks. But certainly not the four-lane-and-no-parking-plus-business that would inevitably lead to the "fast traffic, congestion and poor parking facilities" none of us like. Letting the wishes of the four override the wishes of the 60 doesn't seem very healthy.

Perhaps Mr. Wagner should remember that Moraga is to be a planned community. Lafayette has grown because people have moved here from other cities "because." We can move again. Though that wouldn't be progress for Lafayette. Or healthy for business.

Here's to a better Lafayette — in the right direction.

Want to Save Teeth and Money?

I have two good reasons for writing in favor of fluoridation of our drinking water.

The dentist has just discovered that our 5-year-old Dan has seven cavities. He had others filled some time ago. The second reason is the sizable bill from said dentist.

Recently the State Department of Public Health reported that sample surveys of school children in seven California cities reveal fluoridated drinking water definitely reduces tooth decay 50 to 66 per cent, depending upon the amount added to the water. The children were 9 to 15 years old.

Dr. Lloyd Richards, head of the Division of Dental Health, said the children on the average had 62 per cent less tooth decay than children in areas without fluoridated water. He added that these samples closely follow results throughout the nation.

County campaign starts

Our county dental association is starting a campaign to promote fluoridation and has speakers available. Last week the Martinez City Council approved fluoridation, following authorization by the people in an earlier election. It will cost the City of Martinez about $2 per day.

I have talked to officials of East Bay Muncipal Utility District about this. They don't want to get involved because it is a hot subject. There is opposition on religious and medical principles.

I believe EBMUD should immediately gather all available data and take a stand. If the district hasn't the courage to do so, then you and I should press them for action. Frankly, I don't believe EBMUD will do a thing without being pushed.

Perhaps the Jaycees in this area will accept the challenge and promote it as their major project, as has been done by other junior chambers in the county.

What do you think of fluoridation?

GOP frowns on Dick

I spotted an interesting paragraph in the news bulletin of the Republican State Central Committee:

" . . . The other renegade is Richard Graves, former executive director of the League of California Cities. Switching sides is not unusual for Graves, who was a Democrat when Culbert Olson was governor, and became a Republican in order to get a job with Warren. Having lost his popularity with Governor Goodwin Knight, Graves decided to switch again and now has become a candidate for governor on the Democratic ticket. Graves is shedding crocodile tears, and spouting the usual 'servant of the people' phrases. When he looses, he'll probably try to get back into the Republican Party again. The next time the door should be firmly closed. The Republican Party is not a shelter for political opportunists, although it certainly has room for people who have honestly changed their views."

This is not printed to needle Dick. I thought you'd enjoy reading it because Dick is a local boy, living in Lafayette. He'll probably get lots of local votes because of this — even from stalwart Republicans.

Condon case again

At lunch yesterday four editorial staff members discussed the Condon case. We finally agreed that Condon has not proven or disproven anything and it's time for him to take some firm action.

It was suggested that, since he has testified under oath he has never been a communist, he should demand that the attorney general try him for perjury. This could be one way to solve the case.

Rain, shine—anytime dry your clothes just right

Go Modern the practical way with an automatic *Gas* clothes dryer

GAS costs LESS today than it did in 1940!

You can dry a full load of clothes for less than one cent with GAS!

Imagine being able to dry your clothes any day of the week—even at night if you wish—at the mere turn of a knob! A new automatic *Gas* clothes dryer will make that dream come true, saving you more than a ton of lugging, lifting and hanging of heavy wet wash every year. You *Go Modern* the practical way when you choose a *Gas* dryer. It's faster and costs much less to operate. Needs no expensive installation and requires no costly repairs or periodic element replacements. Does not overdry delicate fabrics . . . and actually reduces clothing and linen bills. You simply can't afford not to own an automatic *Gas* clothes dryer—And, be sure it's *Gas*—the natural fuel for drying.
